ORDER

1. The revised regulation for PG Programmes in Affiliated Colleges was implemented w.e.f 2023 admission as per paper read (1) above and certain modifications were effected to the same vide paper read (2) above.
2. Clause 7.5 of P.G Regulation of Affiliated colleges states that " a candidate securing not less than 40% of aggregate marks of course (both ESE & CE put together) with not less than 40% in ESE shall be declared to have passed in that course. A minimum of grade point 4 with letter grade E is needed for the successful completion of the course.
3. The Computer Programmer vide Paper read 3 above, pointed out some practical difficulties to arrive at pass status of courses of certain Programmes (viz M.A Journalism and Mass Communication, M.Sc Electronics, M.Sc Geology) whose external maximum mark is 48. Then the marks required for passing the course is 19.2 (40% of the external). Since the marks can only be tabulated as whole numbers, the computer Programmer requested to take necessary steps to fix the external minimum as 19 or 20.
4. Consequently, as ordered, the remarks were sought from the Convenors of respective Ad hoc committee in this regard, who prepared the syllabi in the circumstance of nonexistence of Board of studies, and it was clarified that the minimum pass marks for courses with a maximum external mark of 48 shall be fixed as 19 by avoiding the decimal 0.2.
5. *The Vice Chancellor, after considering the matter in detail, and in exercise of the powers of the Academic Council conferred under Section 11(I) Chapter III of Kannur University Act 1996, accorded sanction to round off the pass minimum for ESE to the nearest whole number in cases where decimal points arrive, to the PG Programmes under CBCSS in Affiliated colleges, subject to report to Academic Council.*
6. Orders issued accordingly.
