Model Question Paper

First Semester MSc Degree Examination

APPLIED PSYCHOLOGY

MSAPS01C05: ASSESSMENTS IN PSYCHOLOGY PRACTICAL

A minimum of 15 experiments and tests from the given list are to be conducted and documented during the semester. Experiments from the same areas can be substituted. Part A and B must be given equal importance. Report of each practical should contain introduction, aim, method, result, discussion, conclusion, and references in APA format. Three experiments will be provided to a candidate during the examination of which the student can choose two. One experiment for administration, data collection, and for preparing the report and the other for the viva voce examination.

Evaluation will be based on instructional skills, procedure, data eliciting and for preparing the report.
